

The logo for Elena Romanova Interiors features the name 'Elena Romanova' in a large, elegant, grey cursive script. Below it, the word 'INTERIORS' is written in a smaller, blue, all-caps sans-serif font. The text is overlaid on a large, stylized, golden-brown monogram that combines the letters 'E' and 'R'.

Treat yourself to a fun day of inspiration as well as hands-on advice. Enjoy a glass of champagne, a gourmet buffet lunch and refreshments, all in Elena's comfortable Victorian home.

No group is more than six people, allowing Elena to give you all the attention you need. The Discovery Day starts at 9.30 and finishes at 2.30: perfect for busy mums.

The Discovery Day includes champagne, gourmet-style buffet lunch and refreshments and covers:

- ◆ Understanding your own style and finding inspiration
- ◆ The main elements of design: colour, texture, pattern and lighting
- ◆ How to accessorise effectively
- ◆ The dos and don'ts of window dressing
- ◆ The main principles of great design
- ◆ How to create a mood board
- ◆ Supplier and trade secrets

This informal, yet informative day is a unique and perfect gift for a special friend or loved one. Why not make a day of it, and bring a few friends.

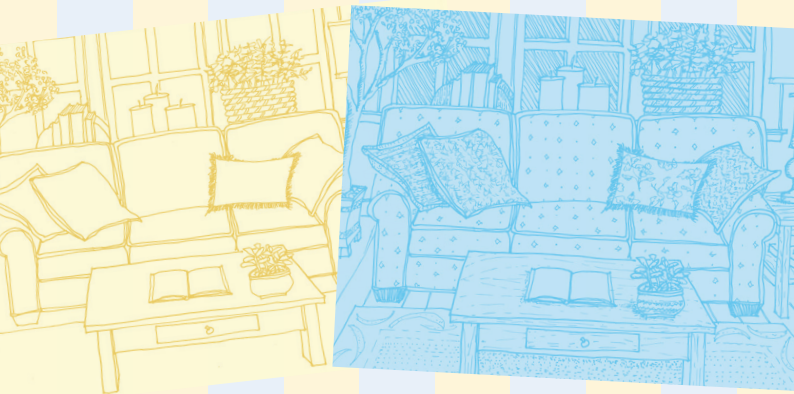

This flyer entitles you to a special price of £65 (normally £85).
